RECRUIT PROFILE

Age: 30 - 36 years.

Educational Background: We believe that a degree, field not important, is an essential qualification.

Military Background: Military experience is desirable, but not absolutely essential. Preferred military experience would include military police, military criminal investigation and intelligence, special operations forces, and specialized units.

Police Background: Minimum of five years experience, with at least two years of that experience in directly applicable fields to counterterrorism operations. These fields would include undercover operations, narcotics investigations, terrorist investigations, homicide or major crimes investigations, explosive disposal, hostage negotiation, VIP protection and SWAT and response units.

Languages: Knowledge of a foreign language or a good language aptitude will be required.

Travel: The more extensive the better. We would like at least some foreign travel, preferably not under military auspices.

Other Skills: We will require skills in both written and oral presentation and social and personal interaction. He should have demonstrated maturity, stability, reliability, discretion and leadership potential during military and/or police experience.
